SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MS - IDS - NO FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, Virginia 22313-1450

Sir:

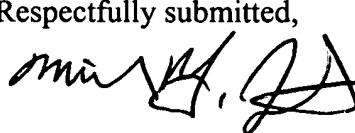

In further compliance with the duty of disclosure set forth under Rule 56, transmitted herewith is Sheet 4 of Form PTO-1449, along with a copy of the single page description of the IPS flush-type closet flange product which, based on information and belief, was published in the United States in 1984.

On information and belief, the subject piece of marketing literature was first discovered by the above-identified inventor, Jeffrey A. Humber, on or about February 1, 2006, and after the date of mailing of the Notice of Allowance for this application. The Issue Fee for this application was paid on January 17, 2006. Therefore, Applicant requests that a copy of this Information Disclosure Statement be placed in the USPTO file for this application pursuant to 37 CFR §1.97(i).

It is believed that the aforementioned publication is cumulative. Nevertheless, this disclosure is made out of an abundance of caution in compliance with the duty of disclosure set forth under 37 CFR §1.56.

No additional fee is due at this time.

Respectfully submitted,

 3/10/06
